

Responsible Service of Alcohol

In an effort to ensure patrons and staff have an enjoyable, safe and memorable experience at all Gilhooleys Taverns, we have introduced a comprehensive Responsible Service of Alcohol program.

This program aims to protect all customers and staff from abuse and harassment by intoxicated persons.

The majority of patrons visiting Gilhooleys want to enjoy a quiet drink with friends and a meal in our A la Carte Restaurant whilst also enjoying our great live entertainment and traditional Irish Dancing Shows. Customers wish to do this without being disturbed by other patrons who have had too much to drink.

It is against the law for our staff to serve customers to a level of intoxication or to provide drinks to patrons who have already had too much to drink.

Gilhooleys Taverns provides regular expert training to all staff to help them serve alcohol in a responsible manner in each of our licensed venues and all of our staff are RSA certified.

Gilhooleys Taverns aims to provide a safe and enjoyable environment for patrons who visit any of our venues.

Please remember that drink spiking happens! We all need to be mindful of this to ensure it doesn't happen to you so you're safe when you're out and about!

Educate yourself about drink spiking, stay together with trusted friends and avoid tasting or exchanging drinks with others.

For support please call the 24 hour Sexual Assault Helpline on 1800 010 120.
